Working Well
Program

At PEI Group, we are serious about the welfare of our individuals. The Working Well Program was created to ensure that we are taking care of all aspects of staff wellbeing such as flexible working, diversity and inclusion, career development, training and healthcare. And we try to have a bit of fun along the way too – with summer and Christmas gatherings, clubs and regular office drinks where we can chat and socialise in a casual, relaxed atmosphere.

Below is a list of all the elements that combine together to make up our Working Well Program.

Remote and flexible working

- » Roster of flexible working opportunities including compressed hours, flextime, job-sharing and part-time working
- » Fully embraced remote and hybrid working with the technology to make it seamless
- » Great office locations and space designed for collaboration
